## **Plato Lions GIFT OF LEARNING**

The GIFT OF LEARNING Program has been a huge success in Plato. All children (ages 0-18) with a Plato Zip Code, can receive two "Gifts" per year, per student, for two different classes.

Our GIFT OF LEARNING Fund is partially funded by the CANS 4 KIDS (located on Main St) and other community donations.

Fill out the form(s) below and follow the directions by mailing or bringing your application to Plato Custom Concepts. A \$20 Certificate will be awarded to you. Take the Certificate with you to enroll in the Community Ed Class or Early Childhood Family Education (ECFE) for a \$20 discount at Glencoe/Silver Lake, Norwood Young America, or Lester Prairie.
