

AUGUST 25, 2018
CITY OF PLATO CITY COUNCIL
SPECIAL MEETING

The special meeting of the City Council was called to order by Mayor Bob Becker at 12:30pm on the 25th day of August, 2018, at the Plato Fire Hall.

City Council members present: Stacy Sohns, VeeAnn Wood, Tracy Montgomery and Dennis Oltmann.

City Staff present: none

Review of documents and discussion held in regard to the retaining wall at the Blue Jay Stadium. Discussion points included Tulies concerns about volunteer labor, type of fence, and comparison of bids. If Tulies is awarded the project, they need to start right away in order to work with their schedule. DO questioned whether the overhead door could be removed and replace with a walk-through door. BB stated there would be no advantage to doing that.

Discussion on payment for the retaining wall. The City could “internal finance” the project. Council would need to determine the payment and length of time or if the BB Club would need to contribute. VW again stated she felt the City should pay for this. The council agrees that the City should pay for at least some of it.

Discussion held in regard to Bolton and Menk’s drawings, especially as it relates to the fence and drainage.

Motion: by VW to accept the bid from Tulies with the change of fencing from black aluminum to chain link. Second by SS. All in favor. BB to check on the price difference to change to chain link fence.

Motion: by SS to adjourn meeting. Second by DO. Meeting adjourned at 1:05p.m.
