- Discussion on hall and shelter rentals. There were 4 rentals for the shelter in June. One rescheduled for this year, two rescheduled for next year, and one is taking place. There were 2 rentals for the hall in June. One cancelled and one rescheduled for next year. There are currently 2 rentals for the shelter in July. GS also advised the Quilt Show in August has been cancelled.
- Two complaints have been received in regard to blight issues 5 1st Street NE in regard to yard cleanup a letter has been sent (addressed in Public Forum); and 9 2nd Street NE in regard to lawn mowing a letter has been sent. Also was advised of a broken picnic table by the skate park and the garbage being full.
- Utility bill late charges have not been assessed for late payments in April and May. Per Council, late charges will be assessed in June.
- Discussion on opening of city office and on the COVID-19 Preparedness Plan that is now required by the end of the month.
- State demographer for 2019 determined Plato's population to be at 300 and total households at 135. In last 5 years, the population has gone down 12 and the households have gone down 3. Census figures will "correct" if error.
- Discussion on summer/outdoor water usage and requests for meters. GS provided information from two neighboring towns that have a program. Determination was to purchase one outside meter. That meter will be installed at one residence for a day or two to obtain information on the amount of water usage. That data will then help determine if it would be cost effective for that resident to have such a meter when factoring in program costs.
